

Maintenance Hangar

Duncan Aviation

Lincoln, NE

Design/Builder for a 175,000 SF Maintenance Hangar. The facility includes two 40,000 SF maintenance hangar bays with aircraft drive-thru capability. Directly adjacent to the hangar spaces on the first floor are maintenance shops, parts, and storage areas totaling over 47,000 SF. Additionally, second floor space totaling over 47,000 SF includes maintenance storage spaces, future shops and corporate offices.
