

Fixed Base Operator

Meridian

Hayward, CA

Design / Build for a Fixed Base Operator comprised of a 30,100 SF storage hangar and a 6,300 SF office/support space. Spaces within the office area include a customer lobby, corporate offices, conference room, pilot's lounge, storage space, break room and tenant office spaces. The project also includes a Aircraft Fuel Farm with a 12K AvGas tank and 20K Jet A tank.

Project Type:
Fixed Base Operator

Location:
Hayward, CA

Services:
Architecture / General Contracting

Project Delivery:
Design/Build

Completion Date:
2016
