

Paint Hangar

West Star Aviation

Chattanooga, TN

The project consists of the design and construction of a new Maintenance Hangar and Paint Hangar. The project also includes site work with the construction of an access road, aircraft ramp, parking lot and the extension of site utilities to service the buildings. The 40,000 SF Maintenance Hangar includes a two story shop/office space with corporate office areas, customer office areas, conference room, break room, support spaces, shop spaces, warehouse areas and a shipping/receiving area. The 40,000 SF Paint Hangar includes a down draft paint bay, a cross draft bay and a shop/office lean-to. The total square footage of the Maintenance Hangar is 90,350 SF and the Paint Hangar is 45,300 SF.
